B. Transferring the monetary amount into the Discontinued Policy Fund:

The monetary amount as calculated under (A) above shall be transferred to the Discontinued Policy Fund by converting the monetary amount into the units. The number of units transferred to the Discontinued Policy Fund shall be the monetary amount divided by the NAV of the Discontinued Policy Fund as on the date of transfer.

C. Calculation of Proceeds of the Discontinued Policy Fund:

The Proceeds of the Discontinued Policy Fund of the Policy shall be higher of Discontinued Policy Fund Value or the Guaranteed Monetary Amount. The Guaranteed Monetary Amount is the accumulation of monetary amount transferred into the Discontinued Policy Fund at the guaranteed interest rate. The guaranteed interest rate shall accrue from the date when the monetary amount is transferred to the Discontinued Policy Fund to the date when the policy exits from the Discontinued Policy Fund either by death, surrender, revival, complete withdrawal at the end of 5 years' lock-in-period or on completion of 3 years revival period (if revival period extends beyond the 5 years' lock-in-period), whichever is applicable.

Currently this guaranteed interest rate is 4% p.a. and shall be subject to change from time to time as declared by IRDAI.

11. Compulsory termination

If the policy has run for at least 5 years provided 5 full years' premiums have been paid and the balance in the Unit Fund is not sufficient to recover the relevant charges, the policy shall be compulsorily terminated and the balance amount in the Unit Fund, if any, shall be refunded to the Policyholder. This shall be applicable irrespective of whether the policy is in-force or paid-up during the revival period.

Under an in-force policy, the policyholder can, however, cancel the LIC's Linked Accidental Benefit Rider at anytime during the policy term. - If policy was discontinued during the 5 years' lock-in period, the Discontinuance Charge deducted from the Unit Fund, if any, at the time of discontinuance of the policy, along with the proceeds of the Discontinued Policy Fund in respect of the Policy shall be added back to the Unit Fund.
- All outstanding applicable Policy Administration Charges (if discontinued during the 5 years' lock-in period), Premium Allocation Charges and Tax Charges due since the date of discontinuance shall be deducted from the Unit Fund.
